cancel

confirm

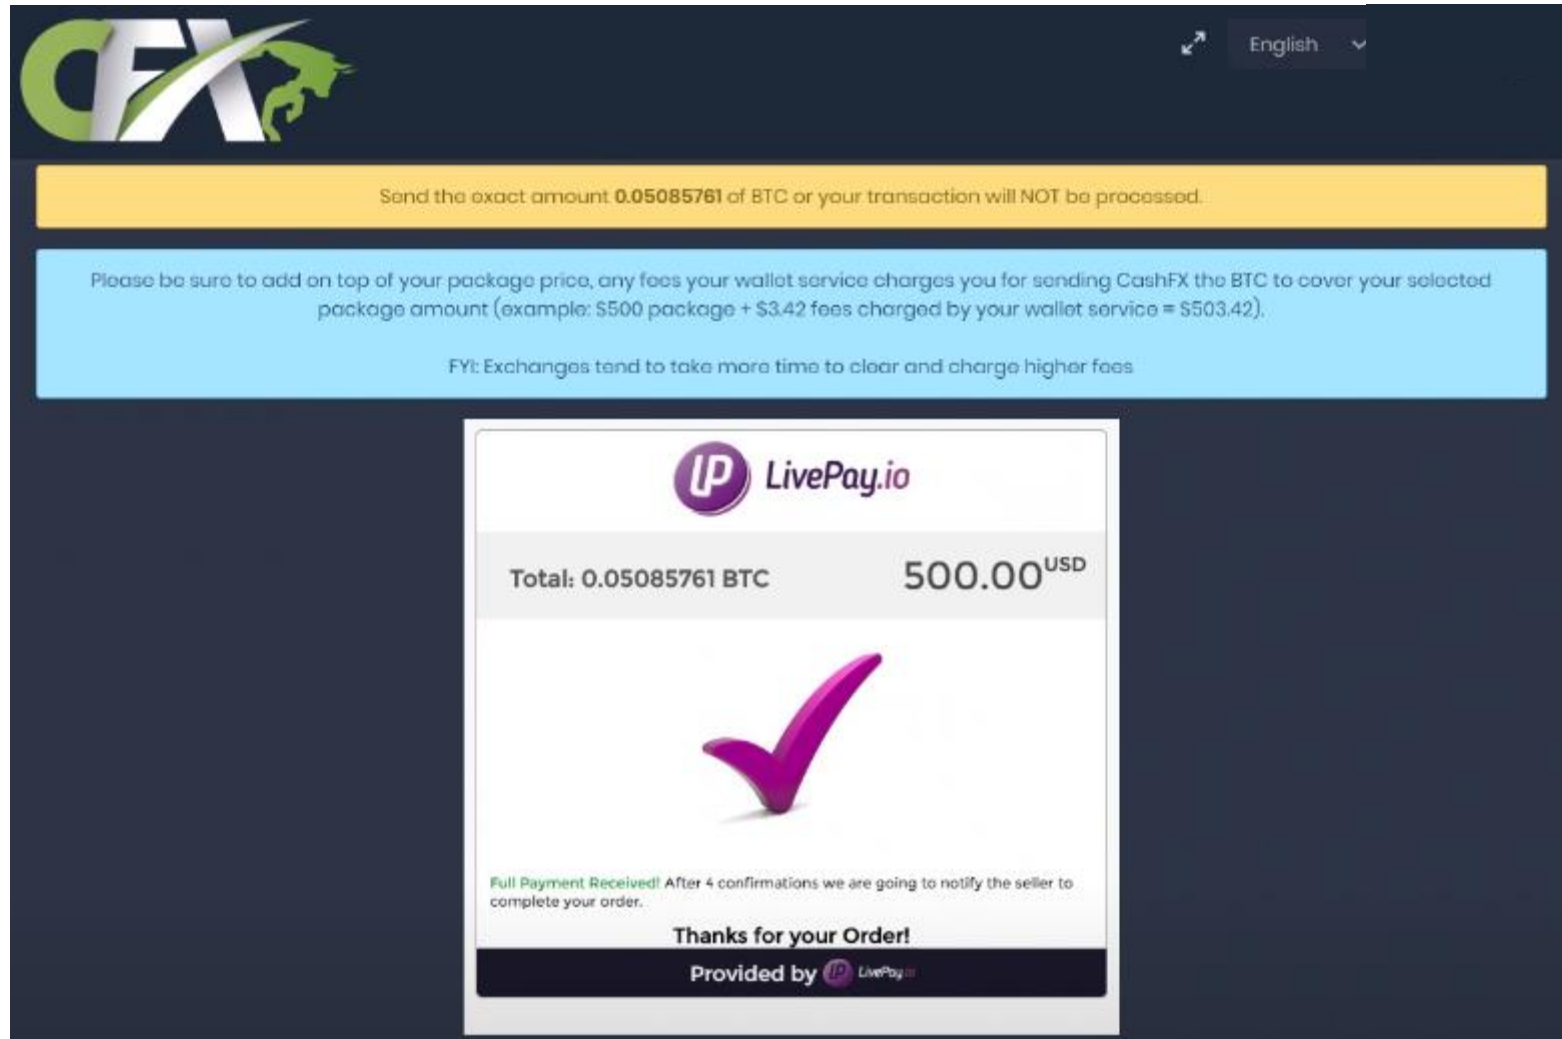

Be sure to go to your email or phone to confirm the  
payment or the Bitcoin will not be transferred!

## Withdrawal

A withdrawal for BTC 0.05085761 is pending, and will be processed shortly.

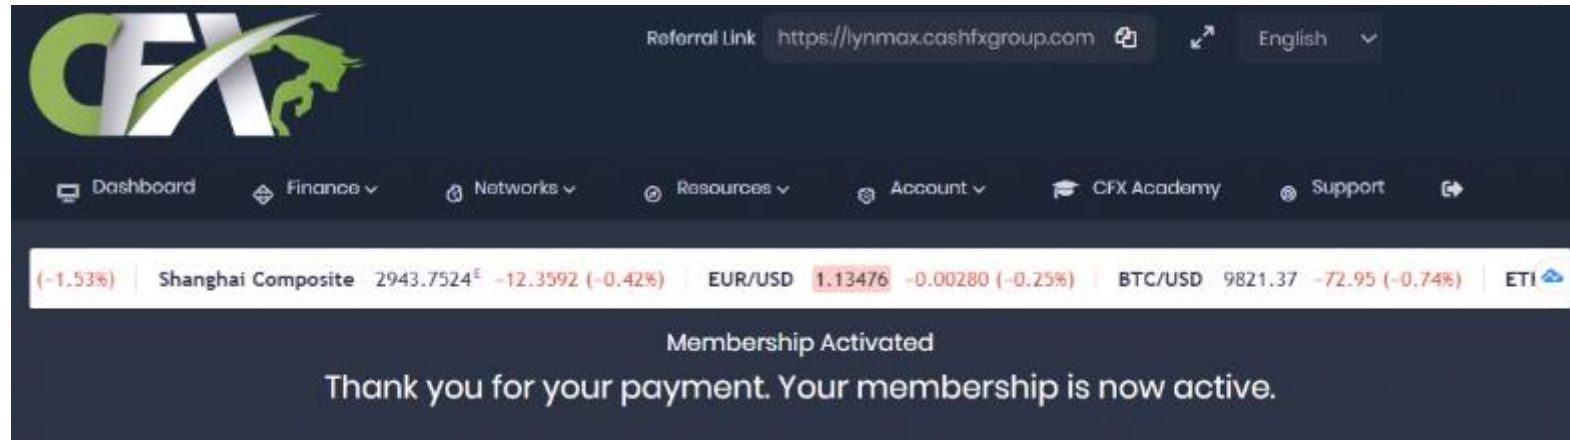

ok

Shortly after your payment is made and confirmed,  
your CFX screen will change to a tick, as below.

It may take a while for the payment to process, so don't wait around!  
Once processed, you can enter your back office.

Once your payment is processed, you will be required to set up your **2-Factor Authentication** for added security. You will see good videos on the page you are taken to, which will guide you through the process.

For Windows, go to <http://authenticator.cc>

Download to your Chrome, Firefox or Edge browser.

This is how it looks at the right of your browser → 

If necessary, you can ask your sponsor to help you set it up by screen-sharing.

**NOTE: Be sure to take a photo, scan or screen shot of your QR Code & address, print and keep in a safe place.**

**Welcome to CFX!**
